

Advisory # **2018-A-007**

**Subject: Temporary Relocation - Uninjured Passenger Area**

**From:** Operational Continuity and Emergency Management Programs

**Contact:** Sue Peric, [susan.peric@gtaa.com](mailto:susan.peric@gtaa.com), 416-776-1106

**Date:** March 7, 2018

Please be advised that due to construction at the Infield Terminal (IFT) both within the facility and in the apron area, the Uninjured Passenger Area has been temporarily moved to the Airport Emergency Support Centre (AESC). The AESC is located at 2935 Convair Drive (map attached). This temporary relocation will be used from March 7, 2018 to June 1, 2018. Please ensure that your fellow employees are familiar with this location update.

An advisory will be sent out to confirm when the Uninjured Passenger Area can return to the IFT.
