

Supersedes: 2018-D-002

Directive # 2019-D-001

Subject Airport Emergency Plan (AEP), Communicable Disease Plan, Facility Control Measures and Evacuation Plan, and Uninjured Passenger & Family Gathering Area Protocol

From: Operational Continuity & Emergency Management Programs

Contact: Flora Graham, flora.graham@gtaa.com, 416-776-3426

Date of Issue: 2019-05-15

Effective Date: 2019-05-15

The Airport Emergency Plan (AEP), Communicable Disease Plan, Facility Control Measures and Evacuation Plan, and Uninjured Passenger & Family Gathering Area Protocol have all been updated.

Our team will be contacting external stakeholder representatives to deliver binders with the updated documents. Internal stakeholders can access the documents via the links below:

[Airport Emergency Plan \(AEP\)](#)

[Communicable Disease Plan](#)

[Facility Control Measures and Evacuation Plan](#)

[Uninjured Passenger & Family Gathering Area Protocol](#)

Please ensure that your staff are familiar with the plans and the protocol, so that they can respond effectively if the need arises.

Toronto Pearson Directive

Airport Emergency Plan (AEP), Communicable Disease Plan, Facility Control Measures and Evacuation Plan, and
Uninjured Passenger & Family Gathering Area Protocol

2019-05-15

Should you require additional information, or clarification please contact Flora Graham or our department at emergency.management@gtaa.com or at our new general number, 416-776-3737.
